LaTeX Workshop

Julie Pham

October 24, 2017

1 Introduction

hello writing right under the line will put it in the same line, if you want it on the next line down you need to leave a line in between

2 Topic 1

2.1 The Importance of Process Improvement

- one

  1. hello
     (a) sad;lfkajsdf;lkajsdf;k
  2. bye

     `www.google.ca`
     this is a link to google
     asdfadsfawefawfadsfasdf

Figure 1: Caption: reference the lab you give the picture
make the href to make the names links to the picture license and profile
